Whilst we have taken every reasonable precaution and care in compiling this website, we do not accept any liability for its contents being correct, complete and up-to-date. According to sec. 7 para. 1 of the German Telemedia Act (TMG), we are as service provider responsible for our own contents on these pages being subject to the general German laws. However, according to secs. 8 to 10 TMG it is not our responsibility as service provider to control third-party information which we have transmitted or stored or to search for circumstances which indicate any illegal action. Our responsibility to delete certain information or block the use thereof according to the general German laws remains unaffected. Liability in this context can only be accepted from the time when we obtain knowledge of any concrete violation. After discovery of any such violation we will delete the respective contents immediately.

Links

Our offer includes links to external websites of third parties. The contents of such linked pages are beyond our influence and thus we do not accept any liability for them. Only the provider or operator of these linked pages may be liable for their contents. At the time of linking, these websites were checked for any potential violation of rights and no illegal contents could be identified. However, permanent control of the contents of such linked websites would be unreasonable without any concrete indications for a violation. After discovery of any such violation we will delete the respective links immediately.
